

Concern: Progress Report

Nijmegen, 24 June 2018

Director General of Higher Education
The Indonesia Education and Culture Ministry
Jln. Jenderal Sudirman
JAKARTA

Dear Sir, Madam,

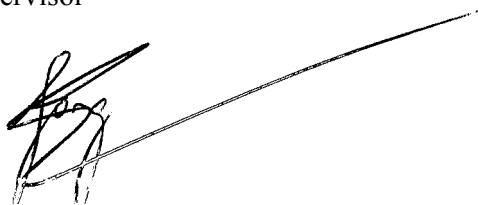

Herewith, I would like to notify that Mr. Muhammad Ichsan Kabullah has started a Ph.D course as of 1st October 2012 at the Radboud University, Nijmegen, Netherlands. His thesis is entitled: "The eradication of corruption at the Indonesian local governments".

I would like to inform you about several activities related to his Ph.D course during this period:

1. He has finished writing five from seven thesis chapters in concept.
2. He has completed the Netherlands Institute Government (NIG) diploma for two years programs.
3. He has published one article in the Handbook of Theoretical Foundations and Discussions on the Reformation Process in Local Governments.
4. He has presented several articles in the 7th International Conference on Malaysia-Indonesia Relations (2013), Asian Group for Public Administration Annual Conference (2014 & 2015), 2nd Constitutional Law National Conference (2015), and Asian Association for Public Administration Annual Conference (2016).

We hope that this give you sufficient information to reach your decision specifically to activate his status in the Andalas University. If you need further information, please don't hesitate to contact our office.
