● Article Revision Letter for Authors - (AJAB-2017-09-129)

 ● Asian Journal of Agriculture and Biology <ajab@ejmanager.com> Mon, Oct 16, 2017 at 9:47 AM ★  
To: ajamsari@yahoo.com

Dear Jamsari Jamsari,

Your manuscript entitled "Biochemical and Pathogenic Potential Characterization of Serratia plymuthica UBCR\_12 as Promising Biocontrol Agents for Controlling Colletotrichum gloeosporioides" (Ms.Nr. AJAB-2017-09-129) was reviewed by editorial board members of the Asian Journal of Agriculture and Biology. As initial decision, your manuscript was found interesting but some revisions have to be made before it can reach a publishable value.

Please answer all the comments below point-by-point in an accompanying response letter to your revised submission.

You should send your revised manuscript via the online system of eJManager on [my.ejmanager.com](http://my.ejmanager.com).

Sincerely yours,

Munir Ahmad, Dr.

Dear Jamsari Jamsari,

Your article "Biochemical and Pathogenic Potential Characterization of *Serratia plymuthica* UBCR\_12 as Promising Biological Agents for Controlling *Colletotrichum gloeosporioides*" is almost ready for publication at Asian Journal of Agriculture and Biology. But before publication your final check will be highly appreciated. For this reason, the galley proof of your accepted article was uploaded to your author homepage.

Please log in, download the proof and check/read it **carefully** for any mistake or typographical error(s); then submit your corrections (if exist) latest with the following **72 hours**.

Please note that if you not respond to this message or do not submit any possible correction within the deadline we will reserve your article for online publication as its is. Please also consider that **no changes can be made in your article after this step**.
