Dear Mohana,

Thank you for your mail,
Could you please address some revisions below?

1. The complete title for the watermark of the pdf files of the article should be: "International Conference of Bio-Based Economy and Agricultural Utilization 2019", that's why the short form is: "ICBEAU-19".
2. Four articles: EESE4971023, EESE4971025, EESE4971034, and EESE4971049 have been revised. The revised files can be found in the attachment.

Thanks a lot for your support!
