Dear Author,

Thank you for submitting your research paper to the Journal of Engineering Science and Technology (JESTEC).

Kindly note that we have received the paper entitled

MARSHALL PROPERTIES OF POROUS ASPHALT WITH GONDORUKEM RUBBER ADDITION

Your paper ID is **OT18047** (Please quote the above manuscript ID in all future correspondence with us)

However, your submission to JESTEC is incomplete without satisfying other documents.

Please refer to the attach file in this email to follow the guidelines for author to prepare a complete submission to JESTEC. Requirements for each document must be fulfilled as clearly stated in the guidelines.

All attached document in this incomplete submission will NOT be saved in JESTEC system. Hence, a new submission is required by sending again with all the 5 documents together with satisfied requirements in one email.

We do hope to receive your new resubmission soon.

Please be reminded that upon the full acceptance of your paper, publication fee in amount of USD200 must be paid before the article is published in the journal website.

Thank you for cooperation.

Regards

Dr. Abdulkareem Sh. Mahdi Al-Obaidi, CEng MIMechE

Dear Elsa

The submission is now complete, but the manuscript needs some extra work to prepare it according to JESTEC format.

Please remove all the comments and also remove the Show Markup

Regards

Dr. Abdulkareem Sh. Mahdi Al-Obaidi, CEng MIMechE

Dear Author

The second round of the review process has been completed.

3 reviewers reviewed your revised paper.

Reviewer #2 is satisfied with the revision.

Reviewers #1 and 3 accepted the revised paper with minor corrections.

Reviewers # 1 has the following comments:

I have some additional suggestions

- Authors should carefully proofread the paper for the grammatical errors
- The rubber was used as an additive or modifier, not as an asphalt binder, please check the term used (e.g. in conclusion).

Reviewers # 3 Has the following comments and sent the attached report

Please find attached file was my comments for the revised paper. The comments are sated in row 3, Reviewer No. 3.

- In the revised paper, the source was from literature [4].
- The figures numbering are suggested to be revised. Fig. 2 appeared two times, i.e. in page 4 and page 5.

Dear Author

I am glad to advise that your paper has been accepted for publication without modification. The reviewers have no more comments and they are satisfied with the revised paper.

By this the review process is completed and we kindly ask you to reformat the paper according to the JESTEC format [following the instructions for authors and downloading the JESTEC template \(attached\)](#).

Special attention to be paid for list of symbols used and the references. Please follow strictly the instructions for citation of the references (attached are instructions) and also explain each symbol you used and its SI units. Also refer to this link: <http://jestec.taylors.edu.my/instructions.html>

You are also kindly required to fill in the JESTEC-Copyright transfer form ([use this link to download http://jestec.taylors.edu.my/JESTEC-Copyright%20transfer%20ver%20060218.doc](http://jestec.taylors.edu.my/JESTEC-Copyright%20transfer%20ver%20060218.doc)) and send it back to me, later you may fax it as well.

Kindly note that you have only four weeks to submit the above.

Thank you and best regards

Dr. Abdulkareem Sh. Mahdi Al-Obaidi, CEng MIMechE

Executive Editor, Journal of Engineering Science & Technology
