Dr. R. Sriagtula,

We are pleased to inform you that your research article has been accepted for publication in Pakistan Journal of Nutrition. However, a large number of grammatical and sentence construction errors are found in your article. Most of the sentences are haphazard. Pakistan Journal of Nutrition is very much concerned about the clarity and professionalism of your manuscript. Our database shows that a large number of research articles were rejected due to a number of grammatical mistakes. You can negotiate with [American Journal Experts](#) and [Bioscience Editing Solutions](#) to provide you language editing services at competitive rates.

Non English authors may contact with [American Journal Experts](#) or [Bioscience Editing Solutions](#) for professional scientific editing services before submission or after acceptance of their manuscripts to eliminate (minimize) the chances of rejection due to poor English. You are therefore requested that please re-submit your article after editing its language for further processing.
