Dear Prof. Lipoeto,

Thank you for submitting the above paper to Public Health Nutrition. It has been assigned the reference number PHN-2012-005356

When checking the paper it has been noticed that the following points need to be addressed before it can enter the peer review process:

1. Please would you add a title page to include the following information:

- a) Full Title
- b) Names of all of the authors (contributing and corresponding)
- c) Address and contact details of the corresponding author (Name, Institution, Address, Job Title, Telephone, Fax and email address)
- d) Place of work of the contributing authors
- e) Abbreviations
- f) The running title

Details on the title page must be identical to the submission page.

Please upload your title page onto the system as a separate document as the journal operates a "double blind" system. Please submit as an author's cover letter.

2. Please add line numbers to the manuscript.
3. Please include your abstract in the manuscript (before the Introduction).
4. Please add an additional abstract heading "setting".
5. Please remove the track-change-style comments (eg on page 4)

**YOUR MANUSCRIPT WILL NOT PROCEED TO REVIEW UNTIL THE ABOVE IS COMPLETED.**

Your paper has been placed back in the Author Approval Folder where you may access via the following link:

Dear Prof. Lipoeto,

Paper No. **PHN-2012-005356**: "Food consumption patterns and nutrition transition in Southeast Asia".

Thank you for submitting your paper to Public Health Nutrition for consideration. Your paper has now been through our editorial review process. In this process a number of questions or points have been raised that we would like you to consider. After we have received your comments/revisions we will then make a final decision about the acceptability of your paper for publication.

The comments from the reviewers are below. We respect authors' rights to disagree with the comments of reviewers, and welcome discussion about the merits of suggestions for change made by reviewers. Please email [phn@nutso.org.uk](mailto:phn@nutso.org.uk) with any queries concerning the comments you have received.

If you wish to revise your manuscript, please could you submit a copy of the revised manuscript highlighting (directly in the text using a red font) the changes that you have made and detailing your response to the comments in an accompanying letter. If your paper includes figures or tables that remain unaltered in the revised paper, these will need to be uploaded again. The revised version of the manuscript should be submitted to <http://phn.msubmit.net>

In making any revisions please check journal style and word limit (4000). Please submit your revised manuscript within three months.

Thank you for submitting your manuscript to Public Health Nutrition.

Yours sincerely,

Agneta Yngve

Dear Prof. Lipoeto,

Thank you for submitting the above paper to Public Health Nutrition. It has been assigned the reference number **PHN-2012-005356R**

When checking the paper it has been noticed that the following points need to be addressed before it can enter the peer review process:

1. The box entitled "Conflicts of Interest, Sources of Funding, Author Contributions and Acknowledgements" on the submissions page is incomplete. Please can you list the following:

a. The name of the ethics committee should be included in the "Conflicts of Interest, Sources of Funding, Author Contributions and Acknowledgements" box on the submission page. If ethical approval was not sought please add the following statement "ethical approval not required".

You can complete this task by clicking on [modify manuscript data](#) or you can e-mail me and I will upload it to your submission.

2. Your rebuttal letter needs to be anonymous.

3. Please provide a separate title page for your manuscript which includes the following:

- a) Full Title
- b) Names of all of the authors (contributing and corresponding)
- c) Address and contact details of the corresponding author (Name, Institution, Address, Job Title, Telephone, Fax and email address)
- d) Place of work of the contributing authors
- e) Abbreviations
- f) The running title

This enables double-blind reviewing. Please submit as an author's cover letter.

4. Tables should be placed at the end of the text. Each table will be positioned near the point in the text at which it is first introduced unless instructed otherwise.

Your paper has been placed back in the Author Approval Folder where you may access via the following link:
