

APACPH 2017

August 17- 19, 2017

Yonsei University International Campus

The 49th Asia-Pacific Academic Consortium for Public Health Conference

LETTER OF INVITATION

June 22nd, 2017

Dear Susi

We would like to invite you as an oral presenter of submitted abstract No. A100007 entitled *Analysis of Breastfeeding Pattern and Early Childhood Caries* of APACPH2017, Asia-Pacific Academic Consortium for Public Health Conference, which will take place in Incheon, Korea from August 17 to August 19, 2017. APACPH 2017 will be your great opportunity to development of research fields through high quality programs including plenary lectures, pre-workshop, parallel symposium in a variety of topics, oral and poster presentations and many other social programs for over 1,200 participants from all around the world. Also you can experience the unique Korean culture.

If you have any question about our conference, please contact us. We at the organizing committee of APACPH 2017 are looking forward to seeing you in Incheon, Korea in 2017

Best regards,

Jaehoon Roh

APACPH 2017 Conference Chairman
