Dear Dr. Djafri:

Subject: The 21st International Epidemiological Association (IEA) World Congress of Epidemiology (WCE2017) – Letter of Acceptance

We hereby notify you that your abstract No.141 entitled, "**The Assessment of Earthquake and Tsunami Awareness to Disaster Preparedness Three Years after the September 2009 Sumatra Earthquake in the City of Padang, Indonesia**" has been accepted for **Oral** presentation at the 21st International Epidemiological Association (IEA), World Congress of Epidemiology that will take place at Sonic City in Saitama, Japan on August 19-22, 2017.

The theme of this congress is: "Global / Regional / Local Health and Epidemiology in a Changing World." We are delighted to invite you to this congress and encourage your participation and contribution.

Should you have any questions or concerns, please contact the secretariat.

We look forward to your participation in the congress to make this event a great success.

Sincerely yours,

Yosikazu Nakamura, MD, MPH, FFPH

Congress President

The 21st World Congress of Epidemiology, IEA

Professor, Department of Public Health, Jichi Medical University, Tochigi, Japan
