Dear Dr. Elsa Eka Putri,

Thanks. Your Paper ID is 4509629418912023169. **Your short ID is last 5 digits. Pls use this short ID for further communication.**

If you have conference ID 9180, then please that ID.

We would get back to you with review results as early as possible.

Best regards.

Dear Prof. Zakaria

Thank you very much for nice seminar in Tokyo, Prof.
I really enjoyed it during the seminar.

I have sent you the final correction paper.
my paper ID is 9180.

May I know, when is the earliest possibility of the paper to be published.
I really hope that my paper can be published soon, in order to reimburse the registration fee and publication fee from my department.

Thank you very much for your help and attention.

Wassalam

Dear Authors,

Our production team found the following corrections in your paper.

Figures: The text inside the figures, X- and Y-axes values, Legends are not clear. Improve the resolution of figures.

Tables: Remove bold and horizontal lines inside the tables. One-line space. The font size in tables should be 8 to 10 or similar.

List of references: No italic, author name followed by the abbreviation. Provide all authors name instead of et al. All references should have pp.??-??. Provide English translation if other language.

Blank space: Fill in the space on any page.

Please send corrected paper by 4 days from the date of this email using the following link.

<https://www.geomatejournal.com/galley>

We accept online submission only. Delaying corrections will delay your publications.

Best regards.
